**RE: Road Name Change Request -- Dean Lane change to Adventure Trail
South Dakota Game Fish and Parks Outdoor Campus West**

To Whom It May Concern:

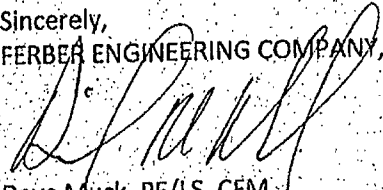

On behalf of the South Dakota Game, Fish and Parks, Ferber Engineering Company, Inc., is providing this additional information for the Road Name Change request application submitted by the Game, Fish and Parks.

The South Dakota Game, Fish and Parks requests a Road Name Change for the remaining portion of Dean Lane adjacent to Lot 1 of NWE Subdivision located in the NW1/4 of Section 33, T2N, R7E, BHM, Rapid City, Pennington County, SD. On the south the existing Dean Lane right-of-way is adjacent to Lot 2 of Tract F of the SE1/4NW1/4 of Meadowwood Subdivision and Block 2 of Tract G of Meadowwood Subdivision also both located in Section 33, T2N, R7E, BHM. An 8.5"x11" general location exhibit is attached.

The proposed name for the street is Adventure Trail and will extend the full 240 feet of existing Dean Lane right-of-way length. This location is the primary entrance into the new South Dakota Game, Fish and Parks Outdoor Campus West.

Thank you for your consideration of this matter.

Sincerely,
FERBER ENGINEERING COMPANY, INC.
