To Whom It May Concern:

We received this certified letter today and my thought is this is not a very good way to spend taxpayer's dollars. I'm sure you are required to send this notice by some written requirement somewhere, but the postage was \$5.10 (on the envelope) plus the time for printing and mailing the document.

Dakota Mill & Grain Inc. is okay with any temporary structures at the Memorial Park Bandshell until further notice. We do not need you to spend the money, time and energy mailing us anything related to temporary use at the Memorial Park Bandshell site.

I cannot speak for other businesses, but am guessing they may feel the same way I do about this notice being a waste of your money and time. It would be worth asking and for those like me that do not care, get a signed authorization to stop sending them the same notice that ends up in the trash.

Thanks for reading!

Sincerely,

Brian Hammerbeck, VP
