SUBJ: BID Assessment Abatement
DATE: September 16, 2010

Susan Campo has requested the City Council abate the BID assessment to the property owned by the Susan Lucille Campo Family Trust. This property is owner-occupied and, according to the City ordinance for the Downtown BID, should be exempt from assessment. The property is located at 414 Columbus Street and the total dollar amount of the assessment is \$80.00.

The only way these amounts can be changed is through a court order or Council action.
