AGREEMENT WAIVING RIGHT TO PROTEST
(SDCL 9-45-26; 9-47-13; 9-48-18; 9-48-42)

THIS AGREEMENT IS MADE and entered into this 5th day of November, 2010, by and for DONALD R. JIRACEK and WILLIAM D. PETERSON, hereinafter called "Developers," and the City of Rapid City, a municipal corporation of the State of South Dakota, hereinafter called the "City."

WHEREAS, the Developers have submitted a proposed subdivision plat; and

WHEREAS, it is the intended purpose of the Developers to obtain final approval for this subdivision plat; and

WHEREAS, the City of Rapid City's subdivision regulations require installation of pavement which in this instance would require the Developers to install additional pavement along Doolittle Street and Wood Avenue as they abut Block 76 less the north 8.5 feet of Block 76 of Mahoney Addition located in the SW¼SE¼ of Section 25, T2N, R7E, BHM, Rapid City, Pennington County, South Dakota; and

WHEREAS, it is the intent and purpose of both the Developers and the City to enter into an agreement whereby the Developers will consent to a future assessed project for the installation of additional pavement along Doolittle Street and Wood Avenue as they abut the above-described property in exchange for the City not requiring immediate installation of the improvements as required by Rapid City's Subdivision Regulations.

NOW THEREFORE, in consideration of the mutual covenants and conditions contained herein, it is hereby agreed as follows:

1. This agreement pertains to, and includes those properties which are designated and identified as follows:

Block 76 less the north 8.5 feet of Block 76 of Mahoney Addition located in the SW¼SE¼ of Section 25, T2N, R7E, BHM, Rapid City, Pennington County, South Dakota.

2. This agreement specifically references the installation of additional pavement along Doolittle Street and Wood Avenue as they abut the above-described property.

3. The Developers acknowledge the City has the power to make assessments for local improvements on property adjoining or benefited thereby, to collect same in the manner provided by law, and to fix, determine and collect penalties for nonpayment of any special assessments. The Developers agree that if at any time in the future the City determines it is necessary or desirous to install additional pavement along Doolittle Street and Wood Avenue as they abut the above-described property through an assessed project, the Developers or their heirs, assigns, or successors in interest, waive any right to object to such an assessed project as allowed under state law in consideration for the final approval of the subdivision plat without the immediate installation of additional pavement. It is understood by the Developers that the City of Rapid City's primary consideration for granting approval of the subdivision plat on the herein described property and its forbearance from requiring Developers to immediately install additional pavement along Doolittle Street and Wood Avenue as they abut the above-described property is the Developers' covenant and promise to waive any right to object to the assessed project and their consent to the assessed project.

4. Developers further covenant and agree for themselves, their heirs, assigns, and successors in interest, that should they or any of their heirs, assigns, or successors in interest fail to abide by each and every covenant herein contained, the immediate installation of additional pavement along Doolittle Street and Wood Avenue as they abut the above-described property will be required within 90 days of the objection in order to comply with the City of Rapid City's subdivision regulations. Should the weather prevent immediate installation of these subdivision improvements, the City Council may accept a surety bond in an amount equal to the estimated cost of installation of the improvements, whereby the improvements will be made and utilities installed without cost to the City in the event of default of the Developers.

5. All of the terms and conditions herein set forth shall extend to and be binding upon the heirs, assigns, or successors in interest of the Developers, and be considered as a covenant running with the above-described property. Furthermore, it is agreed that, in accepting title to the above-described property any grantee, heir, assign, or successor in interest to the undersigned expressly agrees to be bound by the terms of this agreement recorded with the Pennington County Register of Deeds' Office pursuant to the provisions of South Dakota statutes.

6. The City may undertake any legal or equitable action available to enforce the provisions of this agreement in addition to any remedy provided herein. In the event the City is required to undertake any action to enforce the terms of this agreement or its subdivision regulations in connection with this agreement, the undersigned, heirs, assigns or successors in interest agree the City may recover from the owner of said property its reasonable expenses, including attorney's fees incurred with respect to such action.
