Re: Acknowledge Raffle Request

Dear Maggie,

I would like to request acknowledgement from the City Council for a raffle we plan to hold on September 20, 2011. This raffle will be held during our first educational luncheon program at the Hampton Inn in Rapid City, South Dakota with all proceeds to benefit the Black Hills Chapter of the American Advertising Federation.

The raffle will be for "A Trip to Anywhere" travel voucher valued up to \$3,500.00 and we plan to sell 1000 tickets for \$10.00 each starting January 4, 2011.

AAF-Black Hills is a non-profit organization that works to enhance the professional development of area businesses and students through monthly educational programs, while increasing recognition nationally for the advertising industry and giving back to the local community through public service marketing campaigns and educational scholarships.

Monies raised from the raffle to support the AAF-Black Hills will contribute to our educational programs and scholarships, and assist in our ongoing operational needs.

If you have any questions or need further information please contact me at 605.430.9840 or by email at design@studiobickett.com.

Thanks again for your consideration!

Sincerely,

Nicole Bickett

President, AAF-Black Hills
