**EQUAL OPPORTUNITY EMPLOYER**

2. This agreement specifically references the installation of curb, gutter, sidewalk, street light conduit, water, sewer, and pavement along Sun Ridge Road and the section line highway as they abut the above described property.

3. The Developers acknowledge the City has the power to make assessments for local improvements on property adjoining or benefited thereby, to collect same in the manner provided by law, and to fix, determine and collect penalties for nonpayment of any special assessments. The Developers agree that if at any time in the future the City determines it is necessary or desires to install curb, gutter, sidewalk, street light conduit, water, sewer, and pavement along Sun Ridge Road and the section line highway as they abut the above described property through an assessed project, the Developers or their heirs, assigns, or successors in interest, waive any right to object to such an assessed project as allowed under state law in consideration for the final approval of the subdivision plat without the immediate installation of curb, gutter, sidewalk, street light conduit, water, sewer, and pavement. It is understood by the Developers that the City of Rapid City's primary consideration for granting approval of the subdivision plat on the herein described property and its forbearance from requiring Developers to immediately install curb, gutter, sidewalk, street light conduit, water, sewer, and pavement along Sun Ridge Road and the section line highway is the Developers' covenant and promise to waive any right to object to the assessed project and their consent to the assessed project.

4. Developers further covenant and agree for themselves, their heirs, assigns, and successors in interest, that should they or any of their heirs, assigns, or successors in interest fail to abide by each and every covenant herein contained, the immediate installation of curb, gutter, sidewalk, street light conduit, water, sewer, and pavement along Sun Ridge Road and the section line highway as they abut the above described property will be required within 90 days of the objection in order to comply with the City of Rapid City's subdivision regulations. Should the weather prevent immediate installation of these subdivision improvements, the City Council may accept a surety bond in an amount equal to the estimated cost of installation of the improvements, whereby the improvements will be made and utilities installed without cost to the City in the event of default of the Developers.

5. All of the terms and conditions herein set forth shall extend to and be binding upon the heirs, assigns, or successors in interest of the Developers, and be considered as a covenant running with the above-described property. Furthermore, it is agreed that, in accepting title to the above-described property any grantee, heir, assign, or successor in interest to the undersigned expressly agrees to be bound by the terms of this agreement recorded with the Pennington County Register of Deeds' Office pursuant to the provisions of South Dakota statutes.

6. The City may undertake any legal or equitable action available to enforce the provisions of this agreement in addition to any remedy provided herein. In the event the City is required to undertake any action to enforce the terms of this agreement or its subdivision regulations in connection with this agreement, the undersigned, heirs, assigns or successors in interest agree the City may recover from the owner of said property its reasonable expenses, including attorney's fees incurred with respect to such action.

7. If any section(s), or provision of this application is declared invalid for any reason whatsoever by any competent court, such invalidity shall not affect any other section(s) or provision of this application if they can be given effect without the invalid section(s) or provisions.

8. This agreement shall be construed according to the laws of the State of South Dakota. No modification or amendment to this agreement shall be valid, unless evidenced by a writing signed by the parties hereto.

9. If the Developer is a corporation, it has the power to enter into this agreement and its officers signing for it have full power and authority to do so.
