December 1, 2010

Maggie Paul

Maggie, this is a letter to Inform the Rapid City Council that again this year the Rapid City Downtown Association would like to have a raffle to take place during the 2011 Black Hills Stock Show and Rodeo. Last year we raffled buffalo meat and that was like you could imagine, the ranchers did not need to buy chances or something that they had fields full of. So this year we are turning to bigger and better things, at least we hope. We will be offering a trip to Las Vegas to include plane tickets, hotel stays and NFR tickets for two for the December 2011 event. The estimated cost of this will be around \$1000.

The dates of the Black Hills Stock Show for this year will be January 25th thru February 5, 2011. We will sell raffle tickets for most of this event. We will have a booth in the Civic Center to do this as well.

Thank you and the Council for every consideration in this.

Warmest personal regards.

Sincerely,

Dan Tribby
Rapid City Downtown Association Board Member
