Nate Hollenbeck- Fire Science Club Secretary (307)-258-0634

Jordon Sutton- Fire Science Club Treasurer (605)-380-8668

Joshua Jones- Fire Science Club Public Relations Officer (605)-393-7384

Mitchell Hove- Fire Science Club Student Government Representative

We at the WDT Fire Science Club are requesting City Counsel approval to hold a gun raffle, as a way to obtain funds for the Fire Science program at Western Dakota Tech.

We would like to start selling tickets December 15, 2010 and hold the gun raffle near the end of January. Tickets shall be sold on an individual basis by all members of the Fire Science Club and selling shall cease the day before the ticket drawing. An individual ticket shall be drawn from a randomized collection bin. The tickets will include contact information so that the winner need not be present to win. Tickets shall be sold for five dollars a piece or twenty dollars for five tickets. All proceeds will go into the Fire Science Club Fund in order to purchase new equipment for the program and replace old and damaged equipment.

We will be working with a licensed local gun dealer who will take our order of the gun and hold it for us until the winner is announced and can fill out the appropriate background check and gun registration requirements. If the winning entrant cannot be contacted or is unable to pass the background check, then a new winner shall be drawn.

Thank you for taking the time to review our proposal.

Sincerely,

Jordon Sutton- Fire Science Club Treasurer
