I know our community well and feel I could represent them fairly.

<p>

Education, license, certification, & experience: BS-nursing MSU 1976 Certified Diabetes Educator Registered Nurse working in Wound Care at RCRH Have worked as a nurse in MD office, IHS, hospital, school and public health in the past. I have also worked as a ski patroller in the distant past and recieved some emergency training at that time. <p>

Community involvement, activities, service organizations: Diabetes Incorporated Board Member Healthy Native Communities Fellowship 2010 learned about coalition building and working with community groups in a year long fellowship last year. I hope I might be able to apply some of the skills I learned in the fellowship.

Epioneeran Investment Club<p>

Additional information/qualifications relevant for the committee or committees to which you are applying: I believe in the power of communities working together toward a common goal. I know my neighborhood and look foward to working with professionals in the city, state and county agencies to make our neighborhood safe in case of emergency. I believe the responsibility for my own safety starts with me and my own home, making a personal plan and doing appropriate fire mitigation etc. I would like to act as a liaison between our Homeowners Association and the mayors task force.

The main thing is I want to be involved to serve my neighbor hood. I have an open mind and would like to help get a plan in place for emergency management. My greatest asset is that I know alot of the people in my area and think we could really get this done well with the help of the city agencies. <p>
