 Put a check in the "I disagree" column if you do not agree with the statement as it is written. Then sign, address & date your comment.

We the undersigned residents of the "South Valley Drive Area" strongly oppose any rezoning from Low Density Residential (LDR) to Mobile Home Residential (MHR) in the area designated by 10RZ041. We the undersigned also oppose any "Over Lay" that would change the "permitted principal and accessory uses and structures" as stated in the LDR designation.
