To whom it may concern:

The Club for Boys is a private, non-profit organization that is dedicated to providing positive experiences that build self-esteem and character in a safe and fun environment for all boys, ages 6 through 17. We are committed to helping all boys meet their needs today so they can fulfill their potential tomorrow. Our program utilizes several basic approaches: individual services, organized small-group activities, drop-in, and large group activities. Currently the Club for Boys has over 1,400 members.

The Club for Boys is requesting permission to run a car raffle, which will be a 2010 Ford Mustang convertible valued at approximately \$19,000. The raffle will take place over a two month period, starting in April, 2011 and ending with the giveaway in June. At this time we anticipate holding the drawing on June 18, 2011. The proceeds from the raffle will benefit a wide variety of programming at the Club for Boys.
