

RESOLUTION NO. 2011-050

A RESOLUTION AUTHORIZING THE PLACEMENT OF TRAFFIC CONTROL DEVICES IN THE ALLEY LOCATED BETWEEN 5TH STREET AND 6TH STREET OF BLOCK 75 OF THE ORIGINAL TOWN OF RAPID CITY.

WHEREAS, SDCL 9-45-1 delegates to the City the power to regulate streets and alleys within the City; and

WHEREAS, Section 10.28.010 of the Rapid City Municipal Code (RCMC) authorizes the City's Traffic Engineer to maintain signs markings and other traffic control devices on the City's streets and alleys; and

WHEREAS, the alley located between 5th Street and 6th Street of Block 75 of the Original Town of Rapid City is adjacent to the Main Street Square and other development being done in conjunction with the square; and

WHEREAS, these projects necessitate the placement of traffic control bollards in the adjacent alley; and

WHEREAS, the placement of traffic control bollards is appropriate in light of the current development and will facilitate the projects being constructed; and

WHEREAS, the private property owners adjacent to the alley are in support of the placement of traffic control bollards; and

WHEREAS, the Common Council of the City of Rapid City supports the placement of traffic control bollards along with any other traffic control devices deemed necessary by the City's Traffic Engineer to facilitate the operation and functioning of the Main Street Square project.

NOW THEREFORE, BE IT RESOLVED, by the City of Rapid City that the City's Traffic Engineer, or designee, is authorized to place and maintain traffic control bollards along with any other traffic control devices and signage deemed necessary in, or adjacent to, the alley located between 5th Street and 6th Street of Block 75 of the Original Town of Rapid City.
