MEMORANDUM

TO: Legal & Finance Committee

FROM: Don Jarvinen, GIS Coordinator

DATE: April 14, 2011

RE: Address Information Grant

Staff requests City Council authorization to accept a State of South Dakota grant for providing address information in the amount of \$1,500.00.

It is our normal business practice to provide government agencies with data for free. In this case, the State has received a federal grant from the Department of Commerce, part of which will be used to compensate jurisdictions for providing data. In order to receive the money, we have to notify the SD Bureau of Information & Technology that we would like to participate in the grant.

Staff Recommendation: Staff recommends the approval of the request authorization to accept a State of South Dakota grant for providing address information in the amount of \$1,500.00.
