Nick Jensen  
*Custodian*

Members of the CIP board,

I'm writing this letter on behalf of the Minneluzahan Senior Citizens Center. We here at the Center have a lot of handicapped members that come to do activities and meals, a number of members use walkers and wheelchair. The front doors of the Center do not have handicapped switch active door openers, we are asking for your financial assistance in this matter.

We are a nonprofit organization and work on a shoe string budget and do not have the resources to install the handicap door openers on our own. This is not just for the convenience of the members, but is also a safety concern and a requirement for a public building.

This building is owned by the city of Rapid City and we lease it on an annual basis.

I have received two bids to install the switches; they are \$5,414.89 and \$5,315.00.

We would appreciate your looking into this matter at this time.

**Alan B. Platt**
