Re: Proposed Sidewalk Construction on Disk Drive, Rapid City, South Dakota. (Including; T2N R7E section 25 lot 2 of Lowes Sub, 222 Disk Drive and 202 Disk Drive)

To whom it may concern:

The Rapid City Council has asked the Public Works Department to gauge interest in constructing sidewalk, along Disk Drive, abutting your property between Best Buy and the first entrance to the Rushmore Mall. The abutting landowners would be responsible for all costs associated with the sidewalk construction. You are being sent the enclosed ballot to fill out and return to indicate whether you want to participate in installing the sidewalk.

Please return the enclosed ballot to me **no later than Friday March 18, 2011**. This item will be discussed at the Public Works Committee meeting on March 29th. You are invited to attend this meeting and voice your opinion.

If you have any questions please contact me at the above address or phone number.

Sincerely,

CITY OF RAPID CITY

Dale Tech P.E. City Engineer
