a. THEREFORE, in consideration of the mutual promises of the parties set forth in this Sublease Agreement and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Sublessor and Sublessee agree as follows:

1. SUBLEASE PREMISES

Except as otherwise agreed, the Sublease Premises will be used in common by Sublessor and Sublessee, subject to and together with the benefit of the terms, covenants, conditions and provisions of this Sublease Agreement and the Main Lease, as may be applicable thereto. Sublessee also has the non-exclusive right to access and use common areas of the Main Lease Premises.

2. TERM

The term of this Sublease Agreement (the “**Term**”) shall commence effective as of the last date either party executes this Sublease Agreement and terminate on the earlier of December 1, 2040 or the date that the Pennington County Certificates of Participation Series 2010A, Series 2010B and Series 2010C are paid in full.

3. USE

Sublessee shall, at its expense, comply promptly with all applicable law, statutes, ordinances, rules, regulations, orders and requirements in effect during the term or any part of the term hereof regulating the use by Sublessee of the Sublease Premises.

4. RENT

The base rent shall be equal to Sublessee’s share of the construction costs for the evidence building and parking ramp (the “Construction Costs”), together with interest at the rate of 4.111%, with principal and interest amortized over a thirty (30) year period. At the present time, Sublessee’s estimated cost of construction for the parking ramp is approximately \$490,000.00 and \$3,900,000.00 for the evidence building. The parties agree that once they ascertain the final Construction Costs plus capitalized interest, the parties agree to confirm in writing the base rent amount. The base rent payments shall be credited first to accrued interest and the remainder to reduction of unpaid base rent. Sublessee may prepay the base rent at any time. The costs of any maintenance, repair, or change in the structure of the Sublease Premises that is attributable solely to the Sublessee's use of a portion of the Sublease Premises, shall be borne by the Sublessee.

All expenditures for capital replacements and repairs of joint use areas requiring to be bid under State law are subject to the approval of each governmental body before the expense is incurred. For the purposes of this Sublease Agreement, "joint use areas" are those parts of the Sublease Premises used in common by the parties to this Sublease Agreement and includes, but is not limited to, the roof, exterior walls, corridors, mechanical, and other integral parts of the Sublease Premises.

The Sublessor shall be responsible for all necessary billings hereunder, and Sublessee shall pay its share of the allocated costs within the next payment cycle after billing by the Sublessor.

6. MAIN LEASE

A. The terms, provisions, covenants and conditions of the Main Lease are incorporated herein by reference in like manner as though the same were specifically set forth herein. It is agreed and understood between the parties hereto that the Sublessee obtains and is granted no more rights and privileges, as to the Sublease Premises, under this Sublease Agreement than Sublessor was granted as lessee under the Main Lease.

B. The obligations, conditions and covenants of the Landlord under the Main Lease shall remain the Landlord's, and Sublessor shall not be required to perform the same in the event of a default by the Landlord but shall diligently enforce such obligations on behalf of Sublessee, subject to Sublessee reimbursing Sublessor for any costs and expenses, including but not limited to attorney fees, in pursuing such action.

C. Sublessor and Sublessee each agree not to do, suffer, or permit anything to be done which would result in a default under the Main Lease, or cause the Main Lease to be terminated or forfeited.

7. SUBLESSEE PERSONAL PROPERTY INSURANCE

Sublessee may, at its option, obtain such insurance coverage as it deems necessary for its personal property, equipment and trade fixtures. Sublessor shall have no obligation or responsibility for any loss, damage or claim relating to the Sublessee's personal property, equipment or trade fixtures located in the Sublease Premises.

8. INDEMNIFICATION AND RESTRICTIONS

A. Sublessee agrees that it will indemnify and hold Sublessor harmless for any and all responsibility or liability which Sublessor may incur by virtue of this Sublease Agreement arising out of any failure of Sublessee in any respect to comply with and perform the requirements and provisions of the Main Lease, or this Sublease Agreement. Sublessee waives all claims against Sublessor for damage to persons or property by reason of or arising out of Sublessee's use and occupancy of the Sublease Premises. Sublessee hereby assumes all risk of damage to persons or property in or about the Sublease Premises from any cause, and Sublessee hereby waives all claims in respect thereof against Sublessor, excepting where said damage arises out of the negligence of Sublessor. Sublessee hereby agrees that Sublessor shall not be liable for injury to Sublessee or any loss of income therefrom or from damage to the personal property, equipment or trade fixtures of Sublessee, Sublessee's employees, invitees, customers, or any other person in or about the Sublease Premises from any and all causes except the negligence of Sublessor.

B. Sublessor agrees that it will indemnify and hold Sublessee harmless for any and all responsibility or liability which Sublessee may incur by virtue of this Sublease Agreement arising out of any failure of Sublessor in any respect to comply with and perform the requirements and provisions of the Main Lease, or this Sublease Agreement. Sublessor waives all claims against Sublessee for damage to persons or property by reason of or arising out of Sublessor's use and occupancy of the Sublease Premises. Sublessor hereby assumes all risk of damage to persons or property in or about the Sublease Premises from any cause, and Sublessor hereby waives all claims in respect thereof against Sublessee, excepting where said damage arises out of the negligence of Sublessee. Sublessor hereby agrees that Sublessee shall not be liable for injury to Sublessor or any loss of income therefrom or from damage to the personal property, equipment or trade fixtures of Sublessor, Sublessor's employees, invitees, customers, or any other person in or about the Sublease Premises from any and all causes except the negligence of Sublessee.

9. ASSIGNMENT/TRANSFER

Sublessee shall not transfer, sell, assign or pledge this Sublease or further sublease the Sublease Premises, or any part thereof, without (i) complying with the requirements of the Main Lease relating thereto, and (ii) obtaining the prior written consent of the Sublessor and Landlord. Landlord and Sublessor have legitimate concerns regarding the compatibility of new or different occupants of the Sublease Premises, including concerns based upon the use to which such occupants may make of the Sublease Premises, and may therefore withhold their consent to any such transfer based upon any concern they or either of them may have regarding the use to which the proposed transferee may put the Sublease Premises or based upon other justifiable concerns related to possible lack of harmony between the use of the proposed transferee and other uses or occupants in the Sublease Premises. No transfer of any nature shall relieve Sublessee of primary liability to Sublessor hereunder unless Sublessor agrees in writing.

10. SUCCESSOR AND ASSIGNS

This Sublease Agreement and all covenants and agreements contained herein shall be binding upon, apply and inure to the benefit of the respective successors and assigns of the parties to this Sublease Agreement, subject to the restrictions imposed under this Sublease Agreement and the Main Lease, relating to assignment or further sublease by the Sublessee.

11. ALTERATIONS AND IMPROVEMENTS

Sublessee shall not make any alterations or improvements to the Sublease Premises without (i) complying with the terms of the Main Lease relating thereto, and (ii) obtaining the prior written consent of Sublessor and Landlord, which shall not be unreasonably withheld. Sublessee shall keep the Sublease Premises and all parts thereof at all times free of mechanic's liens and other liens for labor, services, supplies, equipment or material purchases or procured directly or indirectly by or for Sublessee.

12. SUBLESSEE DEFAULT/SUBLESSOR REMEDIES

A. If any one or more of the following events occurs, then Sublessee shall be deemed to be in default under this Sublease Agreement:

(i) Sublessee fails to pay, when due, its allocated share of the charges provided for under this Sublease Agreement within ten (10) days after written notice to Sublessee that the payment is past due;

(ii) Sublessee fails to keep, observe or perform any of the other terms, covenants and conditions herein to be kept, observed and performed by Sublessee under this Sublease Agreement (including but not limited to obligations or conditions under the Main Lease) for thirty (30) days after written notice is given to Sublessee specifying the nature of such default. Notwithstanding the foregoing, if the applicable grace period set forth in the Main Lease, shall be shorter than that provided herein, the grace period set forth in the Main Lease shall supersede the grace period set forth in this subparagraph;

B. If a default occurs, then Sublessor shall be entitled to exercise any and all of the rights and remedies available at law or in equity, including those provided to the Landlord under the Main Lease. Any remedies under this Sublease Agreement shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies available to Sublessor existing at law or in equity. Landlord shall be entitled to enforce the provisions of the Main Lease against Sublessee to the extent the same are violated by Sublessee.

13. SUBLESSOR DEFAULT / SUBLESSEE REMEDIES

Sublessor shall be deemed to be in default under this Sublease Agreement if Sublessor fails to keep, observe or perform any of the terms, covenants and conditions herein to be kept, observed and performed by Sublessor under this Sublease Agreement (including but not limited to obligations or conditions under the Main Lease) for thirty (30) days after written notice is given to Sublessor specifying the nature of such default. Notwithstanding the foregoing, if the

applicable grace period set forth in the Main Lease, shall be shorter than that provided herein, the grace period set forth in the Main Lease shall supersede the grace period set forth in this subparagraph. If a default occurs, then Sublessee shall be entitled to cure Sublessor's default, if approved by the Landlord, and exercise any and all of the rights and remedies available at law or in equity. Any remedies under this Sublease Agreement shall not be deemed exclusive, but shall be cumulative and shall be in addition to all other remedies available to Sublessee existing at law or in equity.

14. CONSENTS

A. Wherever the consent of Landlord is required by the provisions of the Main Lease, the Sublessee must, in addition to securing such consent, also obtain the prior written consent of the Sublessor, which consent shall not be unreasonably withheld.

B. In no event shall Sublessee be entitled to any damages for any withholding or delay in either Sublessor or Landlord giving its consent and Sublessee understands and agrees that its remedies shall be limited to an action for an injunction or declaratory judgment.

15. NOTICES

A. Sublessor and/or Sublessee shall immediately forward to the other party all notices of default received by said party from Landlord under the Main Lease.

B. Any notice, demand, request or other communication which may be or is required to be given to the Landlord under the Main Lease shall be effective only if a copy of the notice to the Landlord is also either delivered personally or sent to the other party as provided under subparagraph C below.

C. Any notice which one party wishes or is required to give to the other party will be regarded as given and received if in writing and either delivered personally to such party or sent certified or registered mail, return receipt requested, postage prepaid, to the addresses below, or such other addresses as either party may, from time to time, designate by written notice to the other party:

If Sublessee holds over after the term hereof, with or without the express or implied consent of Sublessor, such tenancy shall be from month to month only, and not a renewal hereof or an extension for any further term and in such case Sublessee shall be liable for any other charges, fees or penalties assessed against Sublessor under the Main Lease for the period in which Sublessee is holding over. Such month to month tenancy shall also be subject to every other term, covenant and agreement contained herein. Sublessee shall also agree to indemnify and hold Sublessor harmless from any action, rentals, costs and other claims which may arise by its holding over, including, but not limited to, an action by Landlord against Sublessor.

17. NON-WAIVER

Sublessor's failure to insist upon strict performance of any covenant in this Sublease Agreement or to exercise any option or right herein contained shall not be a waiver or relinquishment of such covenant, right or option, but the same shall remain in full force and effect. Sublessor is specifically authorized to accept a partial payment (no matter how such payment may be labeled or conditionally delivered) without such acceptance being deemed a waiver of the balance of the amount owed.

18. INVALIDITY

If any part of this Sublease Agreement or any part of any provision hereof shall be adjudicated to be void or invalid, then the remaining provisions hereof, not specifically so adjudicated to be invalid, shall be executed without reference to the part or portion so adjudicated as invalid, insofar as such remaining provisions are capable of execution.
