

ORDINANCE NO. 5746

AN ORDINANCE REDUCING FRONT YARD SETBACKS ON CERTAIN STREET CLASSIFICATIONS IN THE HIGH DENSITY RESIDENTIAL DISTRICT BY AMENDING SECTION 17.14.040 OF THE RAPID CITY MUNICIPAL CODE.

WHEREAS, pursuant to the authority granted to it in SDCL 11-4-1, the City of Rapid City (the "City") has adopted a zoning ordinance which in part regulates the size of yards and the location and use of buildings; and

WHEREAS, the Second Floor Review Committee (the "Committee") has been reviewing existing ordinances and processes in order to provide recommendations to the Planning Commission and the City Council regarding potential increase in efficiencies in development review actions; and

WHEREAS, based on the Committee's review, it appears many planned residential development applications have been submitted to reduce front building setback requirements; and

WHEREAS, the Committee has recommended certain front yard setbacks in residential zoning districts be reduced; and

WHEREAS, the reduced setbacks recommended by the Committee are consistent with setbacks that are currently being approved by the Planning Commission as part of planned residential developments; and

WHEREAS, adopting the Committee's recommended setbacks is likely to decrease the need for planned residential developments and thereby increase the efficiency of development review actions; and

WHEREAS, the Common Council of the City of Rapid City deems it to be in the City's best interests to adopt the Committee's recommendations and approve the reduced setbacks by amending Section 17.14.040 of the Rapid City Municipal Code.
