FOR IMMEDIATE RELEASE

September 14, 2011

Mayor Sam Kooiker

## **Crosswalk Safety Improvements Slated for Saint Patrick Street's 1000 Block**

Pedestrians trying to get across St. Patrick St. near the Golden Acres housing development will soon have an easier time crossing the street following improvements planned by the City of Rapid City.

The existing crosswalk and flashing lights in the 1000 block will be supplemented with a pedestrian refuge island, an additional set of flashing lights in the center of the road and additional crosswalk signing. The work is part of the City's annual Miscellaneous Improvements Project and is slated to begin later this month with completion expected in late October.

For more information on this project, please contact the City of Rapid City Engineering Services at 394-4154.
