Re: Canyon Lake Lighting Improvements
    Project PR09-6012

Attn: Randy Lyons

We would like to request an extension of 30 days from today on the above referenced project. The reason we are requesting this extension is that the light fixtures were not released in a timely manner by our supplier. The light fixtures are shipping from the factory today. We apologize for any inconvenience that this may cause.

If you have any further questions please feel free to contact me.

Sincerely,

Conrad's Big "C" Electric, Inc
