Subject: TEEN COURT FUNDRAISER

A generous family has donated this Thanksgiving meal to Teen Court. The volunteers were able to decide what they wanted to do with it and they decided to raise money to update the supplies they use for Teen Court and since many of them come right from school and are here until late they are also wanting to purchase Little Cesar Pizza cards so they can have pizza on Teen Court nights.

You can purchase tickets in our office or by a Teen Court volunteer. Our fundraisers also go to the Teen Court Scholarship Program and this year I have 3 Volunteers that will be graduating high school and continuing their education.

Thanks!!!

Sophia
