Subject: 2012 Golf Course Rates
Date: October 17, 2011

Recommendation: Approve Resolution Establishing Rates for Meadowbrook and Executive Golf Courses

On October 13, 2011, the Parks and Recreation Advisory Board voted unanimously to approve the Resolution Establishing 2012 Golf Course Fees.

Staff reviewed existing pricing for Meadowbrook Golf Course and feels it is comparable to the recreational market in the Black Hills area. As a result the only change being proposed in 2012 is the change in gas and electric cart storage fees.

However, in order to encourage more play at the Executive Golf Course we are submitting a total change in pricing for this facility. Lowering the pricing at executive will allow more people to purchase passes and will encourage beginners to feel that they are getting a good recreational dollar experience.
