Dear Barb,

Wellspring requests the opportunity to use the left over Community Development Block Grant (CDBG) funds from our FY2010 grant award in the sum of \$4,850.00. These left over grant dollars will be used to replace existing windows at or 3402 Cottonwood Street facility.

The City of Rapid City has played a noteworthy role in Wellspring's ability to serve the treatment needs of youth and families in Rapid City. We are very proud of our relationship with the City of Rapid City and are honored by your continued support.

All of us at Wellspring recognize the wonderful things the City of Rapid City does for our community and we truly thank you for allowing Wellspring to be considered for this opportunity. Again, thank you so much for all your support.

Sincerely,

Danita M. Simons
Development Director
