Subject: update from Randy Ross on ATTA project

FYI. Randy Ross let me know that things are going well with the plans for Pow-wow grounds and he hopes to hear something from Shakopee by end of March. He is going to send us a letter for acknowledgement after that time. Randy's email is ross61@msn.com and his phone number is 786-5709 if you would like to learn more about this exciting project.

He also said he has no concerns about moving the 1876 Madison cabin to the Journey near the ATTA site. He supports preserving it at the Journey site if it can be safely moved and secured.
