Dear Legal Finance Committee & City Council Members:

The Black Hills Home Builders Build PAC committee is requesting approval to hold an IPAD raffle, with tickets to be printed as soon as approval is given. The winner will be drawn at the Black Hills Home Show Social on March 22, 2012.

The Item we wish to sell raffle tickets for is an IPAD. The cost of IPAD is approximately \$500. 300 Tickets will be sold for \$5 each or 5 for \$20. This is a fundraiser for our Political Action Committee, with a portion of funds raised going into the Black Hills Home Builders Build PAC account and the other portion going to the National Build PAC. The portion that will stay with our local PAC are raffle ticket purchases under \$20. Raffle ticket purchases \$20 and over will go to National Build PAC.

Thank you for your consideration in this matter.

Sincerely,

Curt Cartwright,
BHHBA Build PAC Chairman

Jeff Lage,
BHHBA President
