Subject: Re-allocation of funds  
Date: April 12, 2012

**The Fire Department is requesting the re-allocation of existing CIP funds in the amount of \$300,000.**

In May of 2011, the Department was approved for an asphalt replacement for fire station 1 at 10 Main Street. The Department would like to re-allocate those funds to renovations of existing structures, site preparation, conceptual design and consultant fees for a future Fire Department facility at 108 E. Main St.
