REQUEST FOR PROPOSAL - RFP #01

PROJECT:

Rapid City Fire Department Fire Station #4 Addition

CITY PROJECT #

PD-1953

PROJECT #:

11 005

DATE:

01-11-12

Proposal Request:

The General Contractor shall provide the necessary adjustment to the Contract Sum and to the Contract Time per the following detailed description.

Please provide a proposal to the following: See accompanying sketch below with 1-4 items identified.

- 1. Install 35 linear feet of (saved existing CMU) retaining wall.
- 2. Provide 48" with steps of approximately 4 risers at 6" height.
- 3. Extend 48" with walkway pavers to concrete sidewalk.
- 4. Install existing rock mulch in void areas. Place geo-tech landscape material under rock areas.

The General Contractor shall provide the necessary adjustment to the Contract Sum and to the Contract Time showing all items including but not limited to pricing for labor, materials, sub-contracting, taxes, overhead and profit (Specification Section 01250-Contract Modification Procedures).

Once reviewed and approved by the City/User and Architect, this RFP will be written into a Change Order. If there are any questions please call at any time.

RE: Rapid City Fire Station #4 Addition

Waterline Fix Time and Material Cost Summary

Dear Tom.

Enclosed, we have provided a cost summary sheet for finding and repairing the underground fire line water line that was leaking at Fire Station #4. As you know we were directed by City of Rapid City (Rod Johnson) to find the source of the leak, repair it and then replace the sidewalk that needed to be removed. This work has been completed and the attached shows the labor, materials and equipment used to do the work. Rod Johnson indicated that this would be added to Change Order #1 for the Fire Station Addition Project.

We have not replaced the asphalt that was removed as Rod Johnson indicated that the city would patch the asphalt. We ask that this cost be added to Change Order #1 along with PR#1 that was approved and completed.

Should you have any questions, or require further information, please do not hesitate to contact our office.

Kind Regards

Bob Conway Project Manager
