Subject: Billboard at the county fairground

Oct, 19,2012

Dear Sam,

First, a thank you to each and everyone of you who work hard for the betterment of our city and this community.

As you no doubt know I am very disappointed to see the County and the City Variance Board both approved a billboard for the advertising of events at the Fair Grounds. Frankly I was amazed after the strong turnout from the citizens here at the election who want to see our community made more attractive for those of us who live here and those who visit here.

Please forward this to the city council and do what ever you can to reverse this action.

Respectively,

Norma F. Thomsen
