Re: Letter of Intent—Memorandum of Understanding

This letter is intended to demonstrate to the City of Rapid City that the Journey Museum is in support of the Memorandum of Understanding that was negotiated between the City and Journey Museum.

Because the Museum of Alliance Rapid City (MARC) Board is meeting at the end of November, MARC is eager to assist the City in moving the MOU process forward. When the City is prepared to sign the MOU, the MARC Board will do the same.

MARC would like to express appreciation to both the City and MARC negotiators for their efforts in reaching this settlement that puts years of cooperation in writing.
