Public Works Committee/Common Council

RE: Request Authorization to Seek Proposals for Engineering Services for Minnewasta Street Utilities, project number 12-2060 and CIP # 50383.

Staff proposes to:

- Mill and overlay Minnewasta Court, Minnewasta Place, Aster Court, and Minnewasta Street from Sheridan Lake Road to approximately 90 feet south of Aster Court.
- Replace existing water mains that are undersized or have reached the end of their useful lives.
- Install ADA ramps.
- Install fire hydrants per the Infrastructure Design Criteria Manual.
- Notify property owners with polybutylene service lines and replace the polybutylene service line(s) to the curb stop(s).
- Adjust castings with 8" or less of adjusting rings or add barrel if over 8" of adjusting rings.
- Install chimney seals per Standard Specifications.

Staff proposes to hire a Consultant to be responsible for designing the project, bidding the project, and providing construction observation, administration and project closeout.

The project is funded from the Streets Fund (8910) and Water Replacement and Improvement Fund (0933). The project budget is approximated to be \$475,000.

Staff proposes to bid and construct the project in 2013.

Dale Tech, PE  
City Engineer
