Re: Road Name Change Request – Shooting Star Trail, Rapid City, SD

Dear Neighbor,

The City of Rapid City received a request to name and re-name a portion of road, street and section line right of way south of Wildwood Subdivision in Rapid City. The request would name the existing road and section line right of way currently named Shooting Star Trail, and change a portion of street named Poppy Trail to Shooting Star Trail. The intent of this request is to coordinate one name for the length of the road.

The Public Works Committee will consider this request on November 27, 2012 at 12:30 PM. The Public Works Committee meets in the City Council Chambers, Second Floor, City School Administration Building, 300 6th Street, Rapid City, South Dakota.

You are invited to this public meeting.

Please call me if you have any questions.

Sincerely,

Brad Solon
