Subject: Golf Cart Fleet Bid Recommendation

The City currently maintains a fleet of golf carts at Meadowbrook and Executive Golf Courses for use by the golfing public. As a result of a bid request on January 21, 2013, EZ-Go Golf Carts submitted a proposal for 69 golf carts; 63 for Meadowbrook, 4 for Executive, 1 handicap cart, and one utility cart. This bid would provide the described golf cart fleet from 2013 through 2017. This is the only bid that was submitted. Staff has reviewed the bid and determined that it does meet the specifications established by the City.

Staff recommends that the bid for golf carts for Meadowbrook and Executive golf courses be awarded to EZ-Go Golf Carts in the amount of \$514.32 per cart for 69 carts, for a total contract amount of \$35,488.08 per year for five years (2013-2017), and authorize the Mayor and Finance Officer to sign the contract documents.
