MEMORANDUM

TO: Legal and Finance Committee

FROM: Patsy Horton, Long Range Planning Division Manager

DATE: February 7, 2013

RE: **13TP004 - 2013 Unified Planning Work Program Amendment #1 and
13TP005 - Amendment #1 to the 2013 Unified Planning Work Program
Agreement 811209**

Attached are amendments consolidating the outstanding 2012 Unified Planning Work Program items into the current 2013 Unified Planning Work Program. The amendment rolls the funding required to complete the remaining 2012 work tasks identified under the Professional Services/Consultants into the 2013 Unified Planning Work Program.

The additional work tasks proposed for the 2013 Work Program include the following:

- a. Complete an interchange options study for the I-90 Exit 59 (La Crosse Street) interchange and conduct an IMJR and Environmental Assessment. \$183,400
- f. Complete a corridor analysis of High Meadows Subdivision that would develop alignments for the corridor, alternate access locations and recommendations for addressing any identified traffic safety issues. \$150,000
- g. Conduct an outer loop corridor preservation study to determine a connection from Sheridan Lake Road to E Highway 44. \$150,000

The extension of the work program will allow staff to complete the various work tasks as well as incorporate the additional work task for the 2013 Unified Planning Work Program.

STAFF RECOMMENDATION: Staff recommends authorizing the Mayor and the Finance Officer to sign the Amendment to the Rapid City Area 2013 Unified Planning Work Program (13TP004) and the Amendment to the 2013 Unified Planning Work Program Agreement 811209 (13TP005).
