

To Rapid City Council Members,

I, Josh Snyder, hereby request approval of my ice cream truck vending business, J & S Ice Cream, for the 2013 season. I will be selling pre-packaged ice cream, soda and candy in neighborhood areas across the city, during daylight hours. I have met all pre-application requirements through background check, fingerprinting, and all fees have been paid. I have insurance on the truck, to be effective as soon as approval is granted, that meets the city's requirements. During off hours, the truck will be secured at my residence of 2780 143rd Ave #18, Rapid City, SD. Any questions, please contact me at 605-391-1013. Thank you for your time today.

Sincerely,

Josh Snyder, J & S Ice Cream
