Public Works Committee/Common Council

RE: Request Authorization to Seek Proposals for Engineering Services for
Omaha Street / West Blvd Intersection Reconstruction - Utilities Project 14-2097 /
CIP # 50955

This project is for the replacement of water and sanitary sewer within the intersection of Omaha Street and West Blvd to be done in conjunction with the DOT project scheduled for 2014.

Staff proposes to hire a Consultant to design and coordination with the DOT.

The project is funded from the Sewer Enterprise Fund and the Water Enterprise Fund. The project budget is \$320,000. Staff proposes to bid the project in 2013 in conjunction with the DOT bid letting.

A handwritten signature in black ink, appearing to read "Dale Tech".

Dale Tech, PE
City Engineer

Cc: Terry Wolterstorff, Public Works Director
