City of Rapid City
Attn: Sharlene Mitchell
300 6th Street
Rapid City, SD 57701

Dear Sharlene:

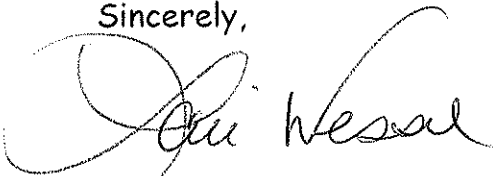

Enclosed is an abatement that has been submitted by the Real Life Church. Please note that the abatement for Real Life Church has been recommended for denial. Director of Equalization states that they did not own the property in time for the deadline for the exempt application.

Please place the abatement on the agenda for your next City Council meeting.

You may want to advise the applicants when the abatement will be heard before the council.

The signed original of the abatement must be returned to our office within 30 days.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori Wessel", with a large, stylized loop at the beginning.
