City of Rapid City 2014 Budget

www.rcgov.org

For the 2013 and 2014 budgets, the City used a different process known as Budgeting for Outcomes. Budgeting for Outcomes (BFO) is a budgeting philosophy that begins with community priorities, focuses on value of services, encourages new ideas, innovations, cooperation and improvement and works to achieve the best results to match the community priorities.

The Five BFO Goals Outlined for FY2013

Goal #1 Good Government: Rapid City will have a government that is fiscally responsible, accessible and responsive to its residents and businesses.

Goal #2 Safety: Rapid City will provide a safe place to live, learn, work and play.

Goal #3 Infrastructure and Transportation: Rapid City will have a well maintained city whose infrastructure keeps pace with growth and offers transportation systems that address community needs.

Goal #4 Economic Stability and Growth: Rapid City will be recognized as a leader in attracting, expanding and retaining diverse businesses and services.

Goal #5 Strong and Vibrant Community: Rapid City will be a strong, vibrant and culturally diverse community that encourages a sense of health and wellness.

How the Budget is Broken Down

With nearly 69,000 citizens, as well as the workers and visitors that come to our city, the employees are working diligently to provide the services that are relied on each day.

The 2014 Budget is \$152.6 million which includes the General Fund, Special Revenue Funds (including capital outlay), Enterprise Funds and Other funds. The General Fund budget totals \$53.6 million and provides funding for the primary operating services of the City, including administration, parks and recreation, public safety, highways and streets, community planning and the public library.

The information below categorizes the 2014 budget on a fund basis.

\$53,563,937 General Fund Includes General Administration, Community Development, Transportation, Culture & Recreation, Public Safety and Services to Person & Property.

\$9,550,372 Airport Fund Includes operations, debt service and capital improvements.

\$9,659,666 Civic Center Fund Includes Civic Center operations and debt service, Energy Plant and CVB Commitment.

\$18,548,053 Water Fund Includes operations, debt service and capital improvements.

\$12,182,265 Sewer Fund Includes operations, debt service and capital improvements.

\$1,404,574 Golf & Cemetery Includes golf and cemetery operations, debt service, capital improvements and development funds.

\$1,811,537 Other Funds Includes Liability Insurance, IT Capital Assets, Repair & Demolition, Community Development, Drainage, Erosion & Sediment Control, Transportation Center, Parking Lot & Area, RSVP and Educational Loan funds.

\$1,553,000 Business Improvement Funds Includes Occupancy Tax and Downtown BID funds.

\$11,361,082 Vision Funds Includes debt service and capital improvement projects approved as part of the Phase III and Phase IV allocations (formerly known as the Vision 2012 Fund). This is funded primarily through a portion of the 2% general sales tax.

\$12,670,746 Capital Improvement Funds Includes debt service and capital improvement projects approved as part of the 5-year capital improvement plan. This is funded primarily through a portion of the 2% general sales tax.

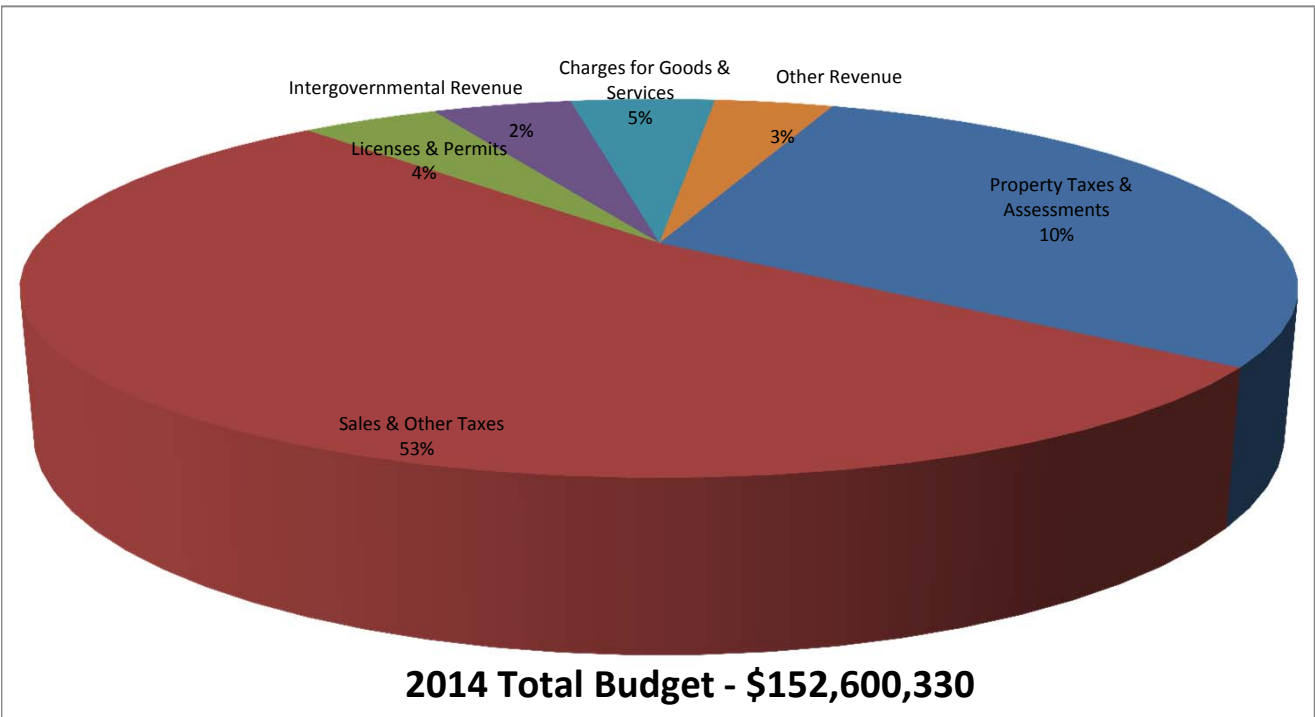

\$1,866,613 Utility Facility Funds Includes debt service for capital improvement projects for water, sewer and streets. This is funded primarily through a portion of the 2% general sales tax.

\$15,228,537 Solid Waste Funds Includes collection, disposal and MRF operations, debt service and capital improvements.

\$3,171,182 Ambulance Fund Includes operations and debt service.

REVENUE SOURCES FOR THE CITY

Many people think about property taxes being the primary source of funding for the City. Although taxes do make up a large part of the City's revenue sources, there are many other sources as well.

\$62,868,883 Taxes Includes \$14.6 million property taxes and assessments; \$51.8 million sales tax.

\$2,124,000 Licenses and Permits

\$2,710,306 Intergovernmental Revenue Includes Federal, State and County shared revenues.

\$75,979,050 Charges for Goods and Services, Including Enterprise Funds

\$4,011,685 Other Revenue Includes fines, interest earned, undesignated cash.

Message from Mayor Sam Kooiker

Rapid City citizens have many reasons to be positive. Residential, Commercial and Industrial permit activity is up nicely and we are seeing a growing economy - from existing businesses expanding and new businesses coming to town.

It's a great time to be part of Rapid City!

Our economy is growing. Our growing revenues, including property tax growth and cash balances, have helped balance the budget and provide for our growing community's needs without increasing property taxes or dipping into the 15% reserves.

Overall, the budget is up by 10.74% over 2013 -- from \$137.8 million for 2013 to \$152.6 million for 2014. In comparison, the overall budget for 2011 was \$159.4 million. The primary reason for the growth in the budget for 2014 is mainly due to capital expenditures and investment in our City's aging infrastructure. When the Capital Outlay is removed, the total budget increases by 4.5% rather than 10.74%.

The proposed 2014 Budget is balanced without spending into the reserves and does not include the allowable property tax increase of 2.1% (approximately \$294,000) for 2014.

Starting in 2013, the City utilized the Performance Based Budgeting philosophy - known in the public sector as Budgeting for Outcomes (BFO). This is a budgeting philosophy that begins with community priorities, focuses on value of services, encourages new ideas, innovation, cooperation and improvements and works to achieve the best results to match community priorities.

During the budget development process, each City Council member was asked their priorities. Effort was made to include as many of these priorities as possible. This list is included here for your review.

Previous budgets were hundreds of pages long, and included virtually no vital information other than row after row of expenditures. In contrast, the 2013 and 2014 budget are condensed in size, and include key measurements and data to facilitate sound decision making.

Consider it an instrument panel for the airplane. The machinery is mostly the same, although the BFO process allows us to gauge how high we are flying and have a better feel for our progress and to facilitate appropriate changes. Please note: All the rows and rows of numbers are still available. The result is a more transparent and accountable budget for our community.

The five BFO Goals outlined for 2013 and 2014 are:

Goal #1, Good Government: Rapid City will have a government that is fiscally responsible, accessible and responsive to its residents and businesses.

Goal #2, Safety: Rapid City will provide a safe place to live, learn, work, and play.

Goal #3, Infrastructure and Transportation: Rapid City will have a well maintained city whose infrastructure keeps pace with growth and offers transportation systems that address community needs.

Goal #4, Economic Stability and Growth: Rapid City will be recognized as a leader in attracting, expanding and retaining diverse businesses and services.

Goal #5, Strong and Vibrant Community: Rapid City will be a strong, vibrant and culturally diverse community that encourages a sense of health and wellness.

This budget was a collaborative effort between citizens, council members and city staff and the mayor's office.

City of Rapid City
 Council Budget Priorities
 FY2014

(unedited priorities from the 10 City Council members)

Increased wages in high-attrition areas to replace training budget	Add into original budget supplements in past funded from additional sales tax	Head toward full-cost budgeting and "fix" interdepartmental charges	Traffic signal at 5th & Enchantment	
Infrastructure; accelerated street repairs	Better ID & control of PILT & Interdepartmental Charges	Controls to foster efforts among Community Investment groups to become more self-sustaining	Drainage improvements	Additional FTE (if necessary) to enhance coverage of Code Enforcement
Street repair & reconstruction	Add'l FTE's - streets/engineering inspections; Fire Inspector; Govt Blds maintenance; Ambulance supervisor; etc.	Staffing for administration of building maintenance code	Drainage improvements	
Preventing tax increase	Infrastructure/Public Safety	Eliminate redundancy & waste	Detailed framework for PILT & Interdepartmental Charges	New software/hardware packages for police/fire/finance
Take action on CPI	Drainage utility	Consolidation of all major capital expenditures into one flow chart & process; centralized & spot management	Full disclosure of immediate equipment needs; i.e. fire and streets	Community input early on in the process - what do they want to cut; what are their expectations
Increase pay (Union negotiations)	Civic Center Expansion	Funding source for Field House & 50-meter pool	Continued support for Community Investment groups	Funding for Mt Pine Beetle Program/Survivable Space initiative
Infrastructure	Finance Software	ADA improvements @ CC	FTE's for Code Enforcement	Economic Development
Hardware/software upgrade Finance	Increased street replacement	Affordable Housing	Study & analysis for zoning and/or future land uses proportionately laid out for income level population	Alternative revenue sources
Police/social programs	Infrastructure - roads/stripping	Substandard housing & improving neighborhoods	Enhancing opportunities for Native Americans	Increase WAVI & Journey funding
Union pay increases	Upgrade accounting software	Infrastructure - Parking for Mt. Rushmore Rd	Equipment/trucks for Fire Dept	Economic Development

City of Rapid City Vision Statement

We envision Rapid City to be a vibrant place for all citizens to grow, prosper and provide a high quality of life.

Adopted 10/18/2007

City Council of Rapid City Vision Statement

The mission of the Rapid City Council is to promote a cost effective public administration that ensures public trust, provides an open forum, fosters a climate of free enterprise for all people and enhances quality of life.

Adopted 01/19/1998

City Council Goals

Complete, implement and use the Future Land Use Plan to manage the growth of the City.

Use a budget process that is inclusive and responsive to the needs of the City and is balanced with available financial resources.

To provide, encourage and support the revitalization of downtown.

Review and revise policies, regulations, and ordinances in a timely manner ensuring efficiency and positive cost-benefit ratios.

The Council will hold regular work sessions to discuss issues that require more analysis and deliberation.

Enhance and sustain the quality of life in Rapid City by promoting art, cultural events, parks, and recreation for all citizens.

To seek partnerships that leverage public resources with private opportunities.

To promote economic development initiatives for new and existing businesses, industries, and service organizations.

To promote public awareness of the Council's actions that contribute to public trust and support.

Developed 10/18/2007

Year End Full Time Equivalent Employees (FTE)	6	7	7	7

Information of Interest

Upcoming projects, pending items and other information of general interest

With training, the law office management software we purchased at the end of last year took longer to implement than anticipated. It should be fully implemented by the end of July.

We have our first Jury trial on a prosecution against a landlord for substandard housing in August.

We completed negotiations and have labor contracts in place with all 3 of the City's bargaining units.

The contracts with AFSCME and the IAFF are 4 years in length and the contract with the FOP is 3 years in length.

Update the Non-Union Employee Information Guide by the end of the year.

Update the Council Policies and Procedures Handbook

We have made efforts to handle more insurance cases in house and would like to continue these efforts in the upcoming year.

- (1) The Administrative Exception Ordinance adopted in 2012 will permit 20% variance approvals administratively including fence height.
- (2) The Planned Development Overlay and Planned Unit Development Ordinances were re-written in 2012. Minor amendments up are processed administratively.
- (3) The state statutes requiring SDCL 11-6-19 review was repealed and applications were discontinued in 2010.
- (4) The Sidewalk Café and Sidewalk Vendor Ordinances were re-written in 2012 to allow staff to approve the applications administratively.
- (5) The Subdivision Ordinance was re-written in 2012. All applications with the exception of the Preliminary Plan and Vacation of Right-of-Way are approved administratively.

Long Range Planning Division

Research and prepare planning documents that guide the long range growth of the City.

	2011 Results	2012 Results	2013 Target	2014 Target
Annexations	2	4	4	4
Comprehensive Plan Amendments (1)	14	8	6	15
Zoning Ordinance Amendments	13	14	14	5
Tax Increment Financing Districts (Created and Dissolved)	8	7	5	6

- (1) The land use categories on the Future land Use Map were consolidated into five categories (residential, commercial, industrial, public, and flood hazard). The consolidation will reduce the total number of applications for Comprehensive Plan Amendments.

Information of Interest

Capital & Service Improvement Goals

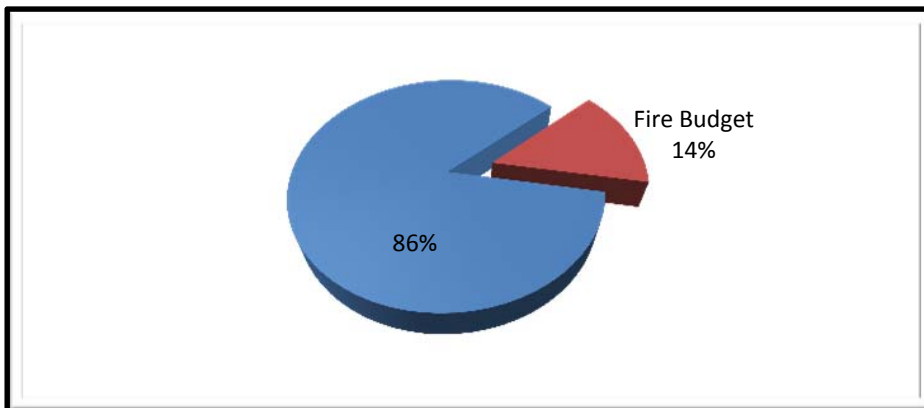

- Conceptual design of new Fire Station 1 at 108 E. Main (build 3-5 years)
- Implement community paramedic program
- Provide community risk reduction program with measurable outcomes
- Partnership with Western Dakota Tech for future Station 2 (build 5-7 years)
- Obtain department accreditation through Centers for Public Safety Excellence

2014 Budget includes:

- Complete comprehensive evaluation of high risk occupancies
- Create Quality Assurance/Quality Improvement program for Ambulance Service
- Purchase 4 new ambulances
- New FTE: mechanic
- Implement all risk response model for Rapid City fire stations

*The Finance Office is looking at new Financial Software Package in 2013. Preference would be given to a system that would allow to track the aging of payables and receivables. Implementation would begin in 2013 with the hope to be fully implemented by the end of 2014. Financing for the software is anticipated to be a loan either through a City Fund or through Wells Fargo Financial.

*The Finance Office is approved for CIP funds in 2017 to remodel the cashiers office. Additional money will be needed to supply hardware and software.

Installation of new records management system in 2013

In 2013, the RCPD participated in its 8th accreditation assessment in 23 years

The RCPD has applied for federal funding through the Community Oriented Policing Services (COPS) hiring initiative, for four additional police officers to be added in late 2013 or early 2014. We will learn if we are to receive this grant award sometime in Fall 2013.

Water - Percentage		
Water - Number of Employees		

STATISTICS

	2011	2012
Population Served	72,665	72,190
Number of metered accounts	21,780	22,000
Gallons of water treated	3,549,442,700	4,041,236,400
Number of wells maintained	10	10
Number of water storage facilities maintained	16	18
Miles of distribution pipe	420	426

STAFFING

	2012	2013	2014
Number of FTE's	37.16	37.16	38.5

Information of Interest

Completion of the Jackson Springs Membrane Treatment Facility August 2013.

Water Advocacy Task Force will be reviewing their original findings from 2007 and are expected to recommend proceeding with the design and Additional FTE added in Utility Maintenance Group

Division so that each will have its own dedicated Electrician.

SOLID WASTE DIVISION

Mission Statement: To provide for the orderly, efficient and safe collection, recycling and disposal of solid waste.

Outcome Based Indicators

Increase landfill diversion

	2011 Results	2012 Results	2013 Target	2014 Target
Increase residential recycling by 10% (tons)	N/A	1511.68	1663	1829
Increase diversion of MSW to MRF cocomposting (tons)	N/A	36,000	50,000	55,000
Host household hazardous waste collection events	0	0	1	1

Increase safety and efficiency of Landfill operations

	2011 Results	2012 Results	2013 Target	2014 Target
Number of non-commercial loads to landfill	29,756	40,000	2,500	2,600
Number of accidents	N/A	5	<2	<2

Increase safety and efficiency of Collection operations

	2011 Results	2012 Results	2013 Target	2014 Target
Number of solid waste collection stops missed	N/A	N/A	<25	
Number of accidents	N/A	2	0	0

Increase utilization of commodities and by-products of the Landfill

	2011 Results	2012 Results	2013 Target	2014 Target
Tons of compost sold	3,838	4980	8,000	8500
Tons of recyclables sold	3,166	3423	3,550	3798

Provide efficient and economical administration and regulatory compliance

	2011 Results	2012 Results	2013 Target	2014 Target
Number of DENR permit violations	0	0	0	0

Employee Turnover - For all funds, including Enterprise and Special Revenue (Per HR)

	2011 Results	2012 Results
Solid Waste - Percentage		
Solid Waste - Number of Employees		

STATISTICS

	2011	2012
Tons of solid waste accepted at facility	169,524	198,300
Number of loads weighed at scale (not including weigh backs)	59,073	40,000
Number of Residential customers-35 gallon trash tote	2,767	3524
Number of Residential customers-65 gallon trash tote	8,026	9120
Number of Residential customers-95 gallon trash tote	5,528	5870
Number of senior/disabled customers	2,439	446
Life expectancy of landfill (years)	42 Years	40 Years

Community Resources

Outcome Based Indicators

Department Goal: The six divisions (HR, IT, GIS, Community Development, Code Enforcement, and Risk Management) within the department will provide valuable service to the citizens of Rapid City and outstanding support to the other departments of the City.

Risk Management

To reduce the exposures to claims against the City and employees on the job injuries and aggressively manage losses and injuries when they do occur

	2011 Results	2012 Results	2013 Target	2014 Target
Number of employee injury claims	274	243	250	255
Number of auto damage claims	26	12	25	20
Medical care costs for employee on-the-job injuries	\$587,000	\$388,000	\$500,000	\$487,000

Community Development

Work with the community to identify issues, human needs and gaps in services that affect the living standards of the residents of Rapid City and facilitate discussion with community stakeholders and government officials to set priorities, and locate assets and resources that can be utilized to achieve these priorities

	2011 Results	2012 Results	2013 Target	2014 Target
Amount of funding expended	\$813,000	\$497,277	\$450,000	\$425,000
Number of projects accomplished	31	19	15	15

Information of Interest

Upcoming projects, pending items and other information of general interest

for the homeless in Rapid City.

RSVP+ - waiting for updates

Statistics

	2011	2012
Number of Volunteers	557	588
Number of Non-profit and Service Organizations Served	93	93
Number of Average Monthly Volunteer Hours Contributed	11,150	11,843

Information of Interest

Upcoming projects, pending items and other information of general interest

RSVP+ has recently expanded its program to assist volunteers of all ages.

RSVP+ is a division of the City of Rapid City, under the Finance Office, and has been an impressive volunteer force in Rapid City for more than 39 years.

Since transitioning to a community volunteer program, RSVP+ has become recognized as the port of entry to community service in Rapid City among younger volunteers. Several new service members from Ellsworth Air Force Base have become engaged in volunteer service through our program. While engaging young people, we still recognize that the most active and vital service comes from senior volunteers. We currently have 127 active volunteers over the age of 85 and dozens of volunteers that are still active in their 90's.

Memorandum

To: Rapid City Common Council
From: Mayor Sam Kooiker *Sam Kooiker*
Date: July 12, 2013
Subject: 2014 Compass Committee Proposed Budget

The Compass Committee and Staff are not appointed by nor do they work for the Administration or Mayor. They work directly for the Council. Therefore, the amount of \$197,800 for the Compass Committee will be reflected in the Council Contingency budget (part of the Mayor-City Council Office Budget) in the proposed 2014 budget ordinance. I have discussed this with Council Leadership and they are in agreement.

This will provide the opportunity for the indicators and budget request to be vetted and approved by the Compass Committee and the City Council.

The City Council will then need to approve a motion to move the \$197,800 from Council Contingency to the Compass line item. Please also note the \$197,800 doesn't include any new FTE's.

It's important to note the indicators submitted so far for Compass do not include benchmarks regarding "Cost Savings Identified". The cost savings actually achieved is of course different and depends on Council actions and other factors. However, it seems reasonable to include "cost savings identified" in the budget indicators/stats. This program was founded in 2011 on the premise and promise of millions in cost savings and efficiency gains for the taxpayers.

This adjustment in the proposed 2014 budget ordinance will increase the Council Contingency budget from \$150,000 to \$347,800. The Mayor-Council Office budget currently reflects a 26.21% increase (up from an originally planned 1.03% increase). If the Council decides not to move the money from Council Contingency to Compass, it is recommended it be moved to other City priorities or back to Unencumbered Cash.

I supported the concept of an independent audit program in 2011, in part because of the promised savings for the taxpayers. A successful Compass program will help reduce the need for property tax increases and continue to help provide for our growing City's needs by finding millions in cost savings and efficiency gains.

Because I support the idea of realizing millions in cost savings and efficiency gains to benefit our City, I encourage the City Council to help this program's viability by facilitating accountability to the taxpayers.

Information of Interest

The RPCC has been a wonderful asset and financial engine for the City of Rapid City since its inception in 1972 and implementation in 1977. Over this nearly 40 years, the total economic impact of events held at the RPCC, on the region served by the RPCC has grown to nearly \$100 million per year. Serving 1.2 million customers yearly has steadily and consistently taken its toll on the facility. Even more, the ever changing and progressing expectations, needs, regulations and laws have really started to show not only the age, but the deficiencies, that this "crown jewel" of Rapid City is currently experiencing. A study of the Americans with Disabilities Act by FourFront has identified nearly \$40 million of, and city at least 402 violations of, this Federal Law that is administered by the Department of Justice. In addition, a recent preliminary study conducted by TSP has identified over \$30 million of additional issues with Building Code violations, Life and Safety violations, worn out equipment and needed upgrades, just to simply allow the RPCC to continue doing the events tomorrow that we did yesterday. This nearly \$70 million of "bandages" does not take into account 2 important issues raised by our customers: 1) Parking and 2) How to stay competitive in the future with the multitude of new arenas built in our region over the last 40 years.
