Subject: RE: Cash Handling Audit Comparison

I have reviewed the audit report prepared by the City's internal auditors. Based on the work that was performed and the number of sites that were visited I would estimate that this project would take around 150 hours. Our average hourly rates are \$100/hour. I would estimate that this specific project would cost around \$15,000.

If you have questions or would like to discuss this, please feel free to contact me. My direct phone number is 791-3136.

Thanks,
