MEMORANDUM

TO: CIP Committee, Legal and Finance, City Council, Mayor Kooiker

FROM: Dale Tech PE/LS, City Engineer

SUBJECT: Wildwood Drive Funding Request

DATE: July 19, 2013

The City of Rapid City recently reached a settlement with property owners at Wildwood Drive and Sheridan Lake Road that includes reconstructing a portion of Wildwood Drive in 2014 to prevent de-icing agents from further killing vegetation on their property. Approximately 700' of Wildwood Drive will need to be reconstructed to provide positive storm water drainage.

I am requesting the CIP Committee approve funding in the amount of \$326,000 for the Streets and Drainage component of this project in 2013. Design must begin this fall so the project can be bid and completed in 2014.

Attached is a site plan showing the approximate area of reconstruction.
