I formally request an agenda item for the next Legal and Finance Committee, October 2, 2013, requesting funding from the City Council Contingency Fund to pay for the production and installation of a brass cast eagle upon the Veteran's Memorial that is being moved in Memorial Park. The artist and production would be handled through the normal artist selection and contract selection, through an RFP I believe, through the Arts Council and or Parks and Recreation Committee as needed. It is hoped to have this project complete by Veteran's Day in 2014. I have included an estimate, drawings, and rendering by Jim Vannuys for budgeting and concept purposes. I truly appreciate his support, and, as said earlier, the final artist and product will be selected through a formal process as required. This project, of course, is to be part of the existing memorial being moved. I will be the presenter and proponent of this project. Please let me know of any questions, etc.

Jerry
