As part of the Hazard Mitigation Grant process, a local funding match is required. This letter serves as Springbrook Acres Association Board's commitment to meet the matching fund requirements for the FEMA Hazard Mitigation Grant Program, Wildfire Mitigation Project. The local matching fund requirement will be made through a cash commitment of up to \$15,000 for the grant.

The match source will come from the Springbrook Acres Water Users Association Board listed on the grant application to complete the improvements identified on our common area property in order to prevent the loss of life and property in the event of a wildfire.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Wiese". The signature is fluid and cursive, with the first name "Rick" being more prominent than the last name "Wiese".
