

Appendix 1

Hi Beth Anne,

Here is what we would be looking at for 50 – 35 gallon carts.

Cart price per cart \$36.00

Freight - \$1125.00

The hot stamp fee is a onetime fee of \$125. This includes a hot stamp on both sides of the cart.

Please let me know if you have any other questions or anything I can provide to assist you with your grant request.

Thanks much!
