RE: **Request Authorization to Apply for grant assistance and acceptance if awarded**

Parks and Recreation staff is requesting permission to apply for grant assistance programs through the United States Tennis Association (USTA) and the USTA Regional Northern Section to replace windscreens at the Sioux Park and Parkview tennis complexes.

This project will be partnered with the Rapid City Public School System and the Black Hills Tennis Association. The project falls into a Category 1 which has a \$4000 maximum from the USTA National office and a \$2500 maximum from the USTA Regional office. The Parkview Tennis facility has previously been awarded funds from this grant program. The Sioux Park complex will require upgrades to add blended lines to three courts, courts 6-8 have been identified for this proposal. This request will initiate the application process for future funding for necessary court reconstruction at the Sioux Park tennis facility.

Sincerely,

Kristy Lintz, CPRP
