TO: Legal and Finance Committee

FROM: Sandy Smith, Long Range Planner I

DATE: March 14, 2014

RE: Rapid City Year End 2013 Population Estimate

Every year the Long Range Planning Division prepares a population estimate for Rapid City using a methodology approved by the United States Census Bureau. These estimates are based on approved building permits, housing demolitions, the Census 2010 occupancy rate and the Census 2010 persons per household for Rapid City. The 2013 year end Rapid City population estimate is 70,555. The 2012 year end population estimate was 69,529. A map is attached identifying the locations of new residential development.
