From: Rapid City Fire Department, A/C Behlings

Re: Additional Wheelchair Accessibility RPCC

Under the direction of Mayor Kooiker, Rapid City Fire Department Assistant Chief Tim Behlings meet with Rushmore Plaza Civic Center staff to review the proposed project to accommodate additional wheelchair seating in the "Upper South Balcony".

The opinion of the Fire Department is that the option up for consideration is not feasible at this time, and from a life safety standpoint cannot support approval.

Thank you,

Tim Behlings
Assistant Chief
Fire Prevention Division
Rapid City Fire Department
