Mr. Ritchie Nordstrom,

As a follow up to our conversation regarding Enchantment Road and the opening of Stumer Road.

- We have close to 100 students registered to ride that reside in the Enchanted Hills sub-division and in the area by the Eagle Ridge apts.
- We have stops at Enchantment Road And Plans Vista Ct. and also down by Eagle Ridge Apartments.
- It is our understanding that the water and sewer project is now complete along Enchantment Road.
- With the opening of Stumer Road it now gives us the option of picking up students along Enchantment Road and continuing on to Stumer Road.
- We re-evaluate our routes each August to insure they are being operated as safely and efficiently as possible.

Hope this information is helpful.
