SUBJECT: Rejection of Bids – Skid Steer Loader

On July 15, 2104, bids were opened for One (1) Current Model Year Compact Track Type Skid Steer Loader. The City received two bids, one from Butler Machinery Company and one from Jenner Equipment Company.

After opening of the bids, it was discovered that incomplete bid packets had been provided by the City, resulting in the need to re-bid this equipment.

Staff is recommending rejection of all bids and requests authorization to re-advertise for bids.
