Subject: STEELE - S & S SUBDIVISION

Ted:

We had previously submitted a Request for Exception for Jim Steele (12PL059) to allow the existing chip seal surface on Sun Ridge Road to remain as is. That request was denied (.

On Jim's behalf we will be submitting a revised request to allow him to place an additional chip-seal coat/application in lieu of standard pavement. That request should come to you tomorrow.

In the event that this request is denied, Jim would like to appeal the decision to Council. I will be out of the office beginning Friday, July 25th and returning Monday, August 4th. If your response comes in during the time that I am away, we don't want to miss the appeal period and would like for you to consider this email as the notice to appeal.

If you have any questions, please let know.

Thanks for your assistance and have a wonderful weekend – looks like summer is finally here ☺
