**MOTOR VEHICLES**

**GENERAL SPECIFICATIONS**

Prior to delivery, the selling dealer will notify the pre-delivery dealer and the ordering agency of the date the vehicle(s) will arrive at the shipping destination. The dealer will also furnish to the ordering agency the statement of origin and application for title. Invoices must be prepared in duplicate and furnished in accordance with the information shown on the purchase order. The dealer must furnish a paper plate license for each new car. Vehicle being bid must be new and the latest production model with all standard equipment and as specified below and all safety equipment required by Federal and State laws or advertised as standard equipment.

The selling dealer will notify and make arrangements with the pre-delivery dealer for all equipment that is not of standard manufacture (spot-lights and trailer hitches) to be installed by the pre-delivery dealer.

All vehicles in above referenced classes will be delivered via transport truck to the dealership. The selling dealer or pre-delivery dealer will be responsible for delivery of units to the receiving agency. The selling dealer may pre-deliver the units without the use of a pre-delivery dealer.

The pre-delivery dealer or selling dealer will perform a pre-delivery inspection check list and an odometer certificate for each vehicle. Pre-delivery does not include front-end alignment except as provided on the check list.

The pre-delivery dealer or selling dealer will be required to provide a minimum of 5 gallons of fuel for each vehicle at the time of delivery at the specified delivery location. All fuel costs are to be allowed under the terms of the contract. The pre-delivery dealer or selling dealer will notify the ordering agency and deliver the vehicle to the agency destination.

Arrangements for any pre-delivery charges will be made between the selling dealer and the pre-delivery dealer. Any such charges will be included in the bid price of the vehicle. No additional charges will be authorized.

All vehicles must be delivered clean and free of debris, dirt, insects, etc. at the final delivery point.

**All vehicles shall include a five (5) year / 100,000 mile Drive Train warranty.**

Warranty documents must be completed by the pre-delivery dealer. The pre-delivery dealer must notify the State Agency, and location on manufacturer's warranty record, to assure that defect or "call back" notices will be mailed to the agency where vehicles are domiciled.

The bidder may be required to provide a list of locations within South Dakota from which warranty work will be administered.

A purchase order(s) will be issued to the selling dealer for vehicles delivered to their location. Invoices in duplicate for pre-delivery service will be furnished in accordance with information shown on the purchase order.

If a vehicle or vehicle class is bid that has the availability of an E-85 Flex Fuel engine it is required to be listed as Standard or an Option. If it is listed as an Option the cost difference must be listed. "Contact Dealer for Pricing" will not be accepted.

All towing packages to include the receiving hitch, wiring harness and plug.

Spare tools, fill tube, and fill kit are required on all ¾ ton box delete options.
