- I. Kathy & Ron Jeffries
- II. Our home address is 1732 Mesa Drive
- III. We own property at 1804 Fremont Street which is located across the street from 3624 Washington
- IV. We received a letter from the City
- V. The letter was addressed to us at our home address
- VI. The notice was to trim a hedge for property located at 3624 Washington which is located across the street from our property at 1804 Fremont
- VII. We did not trim that hedge as we did not own it
- VIII. It appears to be a clerical error on the city's part for which we are being held responsible
- IX. The notice letter is a form letter in which the clerk inserts names and addresses in the same form to send to additional landowners. Apparently, our name was changed in the letter but the property in need of trimming was not updated. Subsequently, we got a notice to trim the neighbor's hedge. We never received notice that our property located at 1804 Fremont was in need of attention so we took no action
- X. Had we been properly notified, we would have complied
- XI. We are asking for a reversal of the entire invoice and all charges related as we did NOT receive NOTICE
