RE: Emergency concrete repairs due to water main break at Haines Avenue/Disk Drive in the amount of \$40,107.62

On January 27, 2016, a water main break at the Intersection of Haines Avenue/Disk Drive damaged a significant portion of the concrete paving in the intersection. The City's concrete contractor was able to repair the concrete paving immediately. This issue must be declared an emergency in order to pay the contractor in a timely manner.
